State Canvassing Board

Santa Fe, New Mexico

We have examined the summary reflecting the results of the General Election held November 2, 1982, for all statewide races, district legislative contests for the New Mexico House of Representatives, the races for district judgeships and the State Board of Education races, as well as the results of the seven (7) proposed constitutional amendments and the question of Sunday liquor sales. We have also examined the related county summaries of these contests submitted to the Secretary of State by the various County Clerks.

We have applied certain procedures, as discussed below, to the State Summary reflecting results of the General Election held November 2, 1982, solely to assist you in your certification of election results. The procedures were as follows:

1] We performed mathematical accuracy tests of selected precincts and county summaries and of the State Summary.
2] We performed tests for accuracy in transferring totals from voting machine tabulations and lists of write-in votes to precinct totals, from precinct totals to county summaries and from county summaries to the state summary.

In performing the preceding procedures, any discrepancies noted were corrected by the County Clerks and State Bureau of Elections personnel.

In connection with our performance of the procedures referred to above, no matters came to our attention that caused us to believe that the State Summary should be adjusted. However, we make no representations as to the sufficiency of such procedures for your purposes.

To the Members,
State of New Mexico
Canvassing Board:

We have applied certain procedures, as discussed below, to the State Summary reflecting results of the Primary Election held June 1, 1982, solely to assist you in your certification of election results. The procedures were as follows:

1) We performed mathematical accuracy tests of selected precincts and county summaries and of the State Summary.

b) We performed tests for accuracy in transferring totals from voting machines tabulation and lists of write-in votes to precinct totals, from precinct totals to county summaries and from county summaries to the State Summary.

In performing the preceding procedures any discrepancies noted were corrected by the State Bureau of Elections personnel.

In connection with our performance of the procedures referred to above, no matters came to our attention that caused us to believe that the State Summary should be adjusted. However, we make no representations as to the sufficiency of such procedures for your purposes.

Write-In Candidate Slides

WRITE-IN CANDIDATE: To write in the name of a "declared" write-in candidate, lift up the write-in slide cover bearing the numeral corresponding to the designated office and write-in the name of the declared write-in candidate. Once a voter lifts a write-in slide, however, he cannot change his mind and use a candidate pointer in that office. This prevents overvoting.

Muesca de Candidato Write-In

CANDIDATO WRITE-IN (no en la lista): Para escribir el nombre de un candidato "declarado" write-in (no en la lista) levante la lámina write-in (no en la lista) que tiene el número correspondiente al puesto designado y escriba el nombre del candidato declarado write-in (no en la lista). Una vez que el votante levante la lámina write-in (no en la lista), no obstante, el no puede cambiar de opinión y usar un indicador de candidato en ese puesto. Esto previene el votar otra vez.

INSTRUCTIONS TO VOTER

1. **Move the RED HANDLE completely to the RIGHT.** This closes the curtain and unlocks the machine for voting.

2. **Turn down a voting pointer over each candidate's name you wish to vote for from this position**  **to this position** 
IMPORTANT: You can make as many changes as you desire while the RED HANDLE is to the RIGHT. The machine is arranged so you cannot turn down more than the proper number of voting pointers for each office, so you cannot spoil your ballot by voting for too many candidates. To make a change simply push the pointer back up and make another selection.

WRITE-IN CANDIDATES: To write-in the name of a candidate in a Primary Election, the candidate must be a DECLARED WRITE-IN CANDIDATE.

To write in the name of a "declared" write-in candidate, lift up the write-in slide cover bearing the numeral corresponding to the designated office and write-in the name of the **declared** write-in candidate. Once a voter lifts a write-in slide, however, he cannot change his mind and use a candidate pointer in that office. This prevents overvoting.

IMPORTANT: Any name written in other than the name of a declared write-in candidate will be held invalid and shall not be counted.

3. **Once you have made your selections, LEAVE THE POINTERS DOWN and move the RED HANDLE completely to the LEFT.** This records your vote, clears the machine, and then opens the curtain. No one outside the machine can tell how you have voted.

YOU MUST NOT LOITER. Each voter in New Mexico is allowed a maximum of three and one-half (3½) minutes in which to vote. Vote promptly and leave the machine so the voter following you may have his turn.

INSTRUCCIONES PARA VOTAR

1. **Mueva la PALANCA ROJA completamente a la DERECHA. Esta cierra la cortina y abre la máquina para votar.**

2. **Baje el indicador de votar sobre cada nombre del candidato por el cual usted desea votar por esta posición**  **a esta posición** 
IMPORTANTE: Usted puede hacer cuantos cambios como usted desea mientras la PALANCA ROJA esta a la derecha. La máquina está arreglada para que usted no pueda bajar la palanca más que en el número apropiado de los indicadores de votar para cada puesto, para que así usted no pueda echar a perder su boleta al votar por muchos candidates. Para hacer un cambio simplemente empuje el indicador otra vez para arriba y haga otra selección.

CANDIDATO WRITE-IN (no en la lista): Para escribir el nombre de un candidato en una Elección Primaria, el candidato debe ser un CANDIDATO DECLARADO WRITE-IN (no en la lista).

Para escribir el nombre de un candidato "declarado" write-in (no en la lista) levante la lámina write-in (no en la lista) que tiene el número correspondiente al puesto designado y escriba el nombre del candidato **declarado** write-in (no en la lista). Una vez que el votante levante la lámina write-in (no en la lista), no obstante, el no puede cambiar de opinión y usar un indicador de candidato en ese puesto. Esto previene el votar otra vez.

IMPORTANTE: Cualquier nombre escrito que no sea el nombre de un candidato declarado write-in (no en la lista) anulará la boleta y no será contada.

3. **Una vez que usted haga sus selecciones, DEJE LOS INDICADORES ABAJO y mueva la PALANCA ROJA completamente a la IZQUIERDA.** Esto registra su voto, limpia la máquina, y entonces abre las cortinas. Nadie fuera de la máquina se da cuenta como usted voto.

NO DEBE PERDER TIEMPO. Todo votante en Nuevo México se le permite un máximo de tres y medio (3½) minutos para poder votar. Vote prontamente y deje la máquina para que así el votante que le sigue pueda tener su turno.

¡Atencion, Votantes!

Familiarizese con este diagrama y las direcciones para operar la maquina de votar. Le ayudara a votar y ahorrara tiempo el dia de la elección.

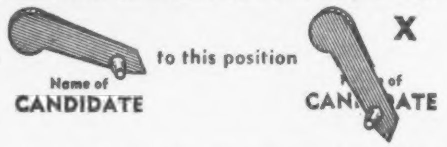
INSTRUCTIONS TO VOTER

1. **Move the RED HANDLE completely to the RIGHT.** This closes the curtain and unlocks the machine for voting.
2. **Turn down a voting pointer over each candidate's name you wish to vote for from this position to this position**



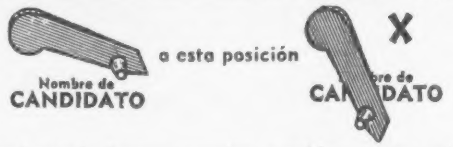
IMPORTANT: You can make as many changes as you desire while the RED HANDLE is to the RIGHT. The machine is arranged so you cannot turn down more than the proper number of voting pointers for each office, so you cannot spoil your ballot by voting for too many candidates. To make a change simply push the pointer back up and make another selection.

3. **Once you have made your selections, LEAVE THE POINTERS DOWN and move the RED HANDLE completely to the LEFT.** This records your vote, clears the machine, and then opens the curtain. No one outside the machine can tell how you have voted.

YOU MUST NOT LOITER. Each voter in New Mexico is allowed a maximum of three and one-half (3½) minutes in which to vote. Vote promptly and leave the machine so the voter following you may have his turn.

INSTRUCCIONES PARA VOTAR

1. **Mueva la PALANCA ROJA completamente a la DERECHA. Esta cierra la cortina y abre la máquina para votar.**
2. **Baje el indicador de votar sobre cada nombre del candidato por el cual usted desea votar por esta posición a esta posición**



IMPORTANTE: Usted puede hacer cuantos cambios como usted desea mientras la PALANCA ROJA esta a la derecha. La máquina está arreglada para que usted no pueda bajar la palanca más que en el número apropiado de los indicadores de votar para cada puesto, para que así usted no pueda echar a perder su boleta al votar por muchos candidatos. Para hacer un cambio simplemente empuje el indicador otra vez para arriba y haga otra selección.

3. **Una vez que usted haga sus selecciones, DEJE LOS INDICADORES ABAJO y mueva la PALANCA ROJA completamente a la IZQUIERDA.** Esto registra su voto, limpia la máquina, y entonces abre las cortinas. Nadie fuera de la máquina se da cuenta como usted voto.

NO DEBE PERDER TIEMPO. Todo votante en Nuevo México se le permite un máximo de tres y medio (3½) minutos para poder votar. Vote prontamente y deje la máquina para que asi el votante que la sigue pueda tener su turno.

To the Members,
State of New Mexico
Canvassing Board:

We have applied certain procedures, as discussed below, to the State Summary reflecting results of the Special Primary Election held August 31, 1982, solely to assist you in your certification of election results. The procedures were as follows:

1] We performed mathematical accuracy tests of selected precincts and county summaries and of the State Summary.

2] We performed tests for accuracy in transfering totals from voting machines tabulation and lists of write-in votes to precinct totals, from precinct totals to county summaries and from county summaries to the State Summary.

In performing the preceding procedures any discrepancies noted were corrected by the State Bureau of Elections personnel.

In connection with our performance of the procedures referred to above, no matters came to our attention that caused us to believe that the State Summary should be adjusted. However, we make no representations as to the sufficiency of such procedures for your puposes.
